MEMORANDUM FOR: Colonel White

SUBJECT : 1955 Community Chest Campaign

1. I have checked with the Services Branch, Employee Services Division, Office of Personnel, and they tell me that the box score on the Community Chest as of this morning is \$24,142.34, which represents contributions from [] individuals in the Agency. This is slightly more optimistic than the 20 October figures of \$17,839.59 received from [] contributors.

2. I have held up on my telephone canvas of Office Heads and Staff Chiefs in the Deputy Director (Administration) area, plus the Office of Communications, Office of Training and Office of Personnel, because I gather that you made rather strong mention of this matter in your meeting with them this morning. I did, however, bring the matter to the personal attention of Messrs. [] Baird and [] before I discovered I was telling them something they already knew.
